Application Fee¹

All applications are subject to a non-refundable application fee of HK\$1,080 if paid before Chinese New Year (CNY) on 25 January 2020 and HK\$1,300 if paid after CNY. Following payment of the fee, children without siblings at L.I.S. will be placed on the registration list on a first-come, first-served basis, whereas children with siblings who are already in L.I.S. are given priority on the registration list.

Registration

Registration can be done five years in advance. The waiting list is updated once a year. You must send L.I.S. a reconfirmation e-mail every year in order to renew a forward registration. Failure to send this by e-mail may result in removal of the applicant from the registration list, following which a second application will be necessary to reinstate a position in the waiting list. This will be counted as a fresh application, liable to the application fee, and will result in the applicant losing their position in the registration list.

Children who have paid the application fee and provided necessary documentation will then be invited by L.I.S to attend an interview with an L.I.S. teacher.

Capital Contribution Fund

Following the interview and upon confirmation that their child has been accepted in L.I.S., parents/guardians must pay a Capital Contribution Fund (CCF) to secure the space, and return a signed and completed Terms & Conditions Form as well as a Statement of Waiver. For 2019-20, the CCF is equal to HK\$ 25,050, or the equivalent of three months' tuition fees (HK\$8,350 x 3). For 2020-21, it is equal to HK\$ 26,640.

The CCF is refundable in three instalments provided that all tuition fees have been settled on time: one third in May, one third in June and one third in July.

Parents/guardians whose children who are staying on for the next academic year will have the third instalment carried over towards the September school fees.

After you have paid the CCF, if your child leaves the school any time before the end of the school year in June, the CCF will be forfeited.

The CCF is forfeited where any outstanding fees are due.

Payment schedule

School must be paid monthly on or before the 7th of each month for the ten months of the school term (September to June). All parents are required to arrange a Direct Debit Authorisation. A 5% surcharge will be invoiced if any monthly tuition fees are received after the 7th of the month, while a 10% surcharge will be applied if the fees are outstanding after the 16th of the same month.

Furthermore, we may refuse access to the school to any student whose fees have been outstanding for more than a month.

Refunds and deductions

No refund or deductions will be made for any absence from the school. In particular, no refund or deductions of fees will be made if the school, by order of the Health Department or any government decision, is required to suspend its classes. Notwithstanding such an order to suspend classes, the teachers would always remain available and online communication would be arranged for as long as the suspension of class is in force.

Stationery and textbooks

At L.I.S., stationery and textbooks are provided free of charge by the school for the students in daily class use. This includes workbooks for the students to write in as well as textbooks and books.

Subsidies

L.I.S. may provide financial assistance on a case-by-case basis for parents who are undergoing hardship. All requests for reductions on fees should be made to the Supervisor (supervisor@lis.edu.hk).

¹ Fees may be subject to change as and when approved by the Education Bureau.
